Bestseller!

V

by Vivi.

Die Gestaltung jeder neuen Kollektion ist immer wieder ein besonderer und einzigartiger Prozess. Nach Weihnachten ist vor Weihnachten, und sobald die ersten Herbstgefühle aufkommen, sind meine Gedanken schon längst bei Häschen, Eiern und Blumen. Die Osterkollektion zu entwerfen, fällt mir nämlich jedes Jahr am leichtesten – hier kann ich mich in den Pastellfarben verlieren, die ich so sehr liebe. Zudem sind Hasen und Hunde meine absoluten Lieblingstiere.

Dass mir dieser Balanceakt nach fast vier Jahren by Vivi. immer leichter von der Hand geht, ist kein Wunder. Dennoch kann ich kaum glauben, dass mein „kleines“ by Vivi.-Baby am 1. Februar seinen vierten Geburtstag feiert und mein „großes“ Cece-Baby im März schon sechs Jahre alt wird! Ich bin selbst überrascht, wie ich es geschafft habe, während des Lockdowns mit einem Baby zuhause eine Firma zu gründen und sie stetig weiter auszubauen. Heute blicke ich voller Stolz auf ein großartiges Team und unsere 500 m² Büro- und Lagerfläche – auch wenn selbst diese inzwischen schon zu klein geworden sind. Im nächsten Jahr wird uns nichts anderes übrig bleiben, als unser Büro in Unterhaching zu verlassen und ein größeres Zuhause für by Vivi. zu finden.

In den letzten Jahren haben wir uns ständig weiterentwickelt – sei es im Sortiment, der Teamgröße oder unserer Infrastruktur. Doch 2023 war ein besonders enges Jahr, im wahrsten Sinne des Wortes!

Ein absolutes Highlight war für mich Ende 2024 unser eigener kleiner Store im Oberpollinger in München – ein wahr gewordener Traum! Aber es ist nicht der einzige Traum, der in den letzten vier Jahren Wirklichkeit geworden ist. Mein Team besteht aus großartigen Frauen, die sich gegenseitig schätzen und wunderbar zusammenarbeiten. Und unsere Kunden? Ein absoluter Traum! Unter Euch habe ich so viele Lieblingsmenschen gefunden, die mich immer wieder inspirieren.

Auch mein Leben fühlt sich wie ein Traum an: Mit dem, was ich liebe, finanziere ich nicht nur meinen Lebensunterhalt, sondern auch den meines Teams. Gleichzeitig bleibe ich meinem sozialen Engagement und meinem ursprünglichen Leitgedanken treu: female only und niemals auf Kosten anderer.

An das beste Team der Welt und die besten Kunden der Welt: Tausend Mal danke – ich liebe Euch! Jede Einzelne und jeder Einzelne hat einen Platz in meinem Herzen. In den letzten Jahren habe ich etwas Wundervolles gelernt: Liebe ist nicht endlich. Ganz im Gegenteil – dein Herz wird nur größer und schafft immer mehr Raum für all die großartigen Menschen, die Teil deines Lebens werden. Danke, dass Ihr mir das gezeigt habt!

Ich freue mich so sehr auf die neue Saison mit Euch!

XOXO,
Vivi

by Vivi.

Designing each new collection is always a special and unique process. Right after Christmas, my thoughts turn to bunnies, eggs, and flowers as soon as the first hints of autumn appear. Designing the Easter collection is the easiest for me every year – I can lose myself in the pastel colors that I love so much. Plus, bunnies and dogs are my absolute favorite animals.

After nearly four years of by Vivi., it's no surprise that balancing everything has become easier. Yet, I can hardly believe that my “little” by Vivi. baby will celebrate its fourth birthday on February 1, and my “big” Cece baby will already turn six in March! I'm still amazed at how I managed to start a company during the lockdown while having a baby at home, and how I've continued to grow it steadily. Today, I look with pride at an amazing team and our 500 m² of office and warehouse space – though even that has now become too small. Next year, we'll have no choice but to leave our office in Unterhaching and find a bigger home for by Vivi.

Over the past years, we've constantly evolved – whether it's our product range, our team size, or our infrastructure. But 2023 was an especially tight year – quite literally!

One of my absolute highlights in late 2024 was opening our very own little store in Oberpollinger, Munich – a dream come true! And it's not the only dream that has become a reality over the past four years. My team consists of incredible women who value and support one another and work together beautifully. And our customers? They're an absolute dream! Among you, I've found so many favorite people who inspire me again and again.

My life feels like a dream too: doing what I love not only supports me but also my team. At the same time, I remain true to my social commitment and my founding principle: female only and never at the expense of others.

To the best team in the world and the best customers in the world: Thank you a thousand times over – I love you all! Each and every one of you has a place in my heart. Over the past years, I've learned something wonderful: love isn't finite. On the contrary – your heart only grows bigger, making more room for all the amazing people who become part of your life. Thank you for showing me that!

I'm so excited for the new season with all of you!

XOXO,
Vivi

Unsere neuen Slipper sind ultra flauschig und passen sich jeder Fußform perfekt an. Durch das Teddyfell* sind sie vegan und die Sohle aus Ethylenvinylacetat zeichnet sich durch ihre Langlebigkeit aus.

*Es kamen keine Teddybären zu Schaden.

MIX & MATCH - your customers can build their new favorite fluffy slippers in your store! Choose the colors and sizes of the slippers and the brooches you want to offer. Of course you can also order more brooches than shoes so that your customers have an even larger selection. It couldn't be more stylish and comfortable with over 200 design options! The brooches can be easily opened in the back and be attached to the shoes.

Both slippers and brooches come to you individually packed and you can present them however you want and how it suits your shop best. Whether you put together ready-made shoes or whether the customers buy slippers and brooches individually, everything is up to you.

Our new slippers are ultra fluffy and adapt perfectly to any foot shape. The teddy fur* makes them vegan and the ethylene vinyl acetate sole is characterized by its durability.

*No teddy bears were harmed.

Fashion

We are proud to launch our first complete fashion collection this season. And as always, this is a collection made by women for women.

It's all about feeling good. Whether you're at home with a messy bun and slippers, on vacation at the beach, or in the city with high heels. The cuts flatter feminine curves, and each piece is made from the wonderful fabric Modal, which feels so soft on the skin that you won't want to wear underwear.

Every piece in our collection was designed with great attention to detail in Munich and sewn in a women-only company in India. The designs are created specifically for by Vivi., and each one tells its own story.

Loose cuts combined with one of the softest and most breathable fabrics in the world make every piece from the collection your new favorite outfit.

There are two options of tops: one with a looser cut that hides any tummy and the classic straight cut that always fits. Whether paired with matching trousers, jeans and a white T-shirt, or even worn as a dress, all pieces flatter the body of every woman, regardless of whether she is a size 36 or 44. For us, the most important thing is always: whether cozy, casual, or glamorous, the main thing is that you feel comfortable in our fashion and your own skin.

It's all about female empowerment - feel free in your body and clothes.

XOXO, Vivi
