Spring/Summer 2025

Step Into a World of Sunlight, Style, and Togetherness: The Moshi's Spring/Summer 2025 Collection

Dear Moshi Family,

Can you feel it? The days are getting brighter, the air is warmer, and The Moshi's Spring/Summer 2025 Collection is finally here!

Spring and summer aren't just seasons – they're a vibe. It's about gathering with the people you love, dancing barefoot on the grass, and soaking up every little moment of sunshine. This year, we're all about those feel-good moments: long dinners under the stars, lazy days on the beach, and the unbeatable mix of music and laughter.

The Moshi isn't just about accessories – it's about connection. It's about the stories we share, and the moments we create together with you. So, as you dive into our latest collection, imagine us right there with you, cheering you on, clinking glasses, and dancing to your favorite song.

Thank you for being part of our Moshi Family. We wouldn't be here without you, and we're so excited to celebrate another sun-soaked season together. Let's make it unforgettable together.

Big hugs,
Philip, Philippa, Lena & Kjell
