Spring - Summer 2026

5 Jahre by Vivi.

Ich liebe den Frühling – die ersten warmen Sonnenstrahlen, die frischen Farben und vor allem diesen besonderen Moment, in dem eine neue Saison beginnt. Natürlich haben wir auch in diesem Frühling wieder meine absoluten Lieblinge in die Kollektion aufgenommen: frische Pastelltöne, moderne Prints und jede Menge Eyecatcher! Dazu gibt es – wie immer – ganz viel Leichtigkeit und wundervolle Ideen für Euch und Eure Kundinnen.

Seid gespannt auf meine absolute Lieblingskollektion – ich finde, wir haben uns wieder einmal selbst übertroffen. Mit Hasen, Eiern, Tulpen und Karotten als fröhlichen Frühlingsboten, neuen und frechen Ohrring- und Pin-Designs und – mein absoluter Liebling – unseren Stifte-Sets mit liebevollen Sprüchen. Das perfekte Geschenk für sich selbst oder für jemanden, dem man eine kleine Freude machen möchte. Wir kennen schließlich alle eine frischgebackene Mami, die ruhig öfter am Tag hören darf, wie heiß sie in ihren verwaschenen Leggings aussieht. Und wir alle brauchen manchmal kleine Reminder, die uns helfen, den Fokus immer wieder liebevoll zu uns selbst zurückzulenken.

Daher erst einmal ein großes DANKE an mein Team (im Übrigen das beste der Welt), das wirklich jeden meiner Ideen- und Gedankenblitze mit einem Lächeln mitmacht und mir immer wieder zeigt, dass wir alles umsetzen können, was wir uns in den Kopf setzen. Und Danke an die besten Kundinnen und Kunden der Welt! Jede Einzelne von Euch ist so besonders, und wir lieben es, Euch auf den Messen wiederzusehen und mit Euch sprechen zu können.

Danke, dass Ihr uns auf unserer Reise begleitet!

XOXO, Vivi

Our Tip

Unsere Schlüsselanhänger passen auch wunderbar an jede Tasche.
Dafür haben wir unseren praktischen Taschenanhänger entworfen, der sich ganz einfach an jeden Schlüsselanhänger anbringen lässt – ohne dass die Nägel brechen.
Verkaufe sie in Deinem Geschäft zusammen mit den Schlüsselanhängern oder einzeln – ganz nach dem Geschmack Deiner Kunden.

KC045 Bag Clip

Our keychains also look great on any bag.
That's why we designed our practical bag attachment, which can be easily connected to any keychain – without damaging your nails.
Sell them in your store either together with the keychains or separately – just the way your customers prefer.
